Casey Neal Rogers Memorial Scholarship

Dear Sponsor:

I am honored to be a recipient of the Casey Neal Rogers Memorial Scholarship. Your support and generous contribution has made it possible for me to attend James Madison University in the fall. It has been my goal throughout high school to have this opportunity, and it excites me to think it will actually happen.

My first semester at James Madison University will begin very soon. I have decided to major in the business field. I am fortunate to begin my freshman year with 20 transferable general education credits that I received through dual credit classes in high school through the local community college. I look forward to meeting new people and experiencing new and exciting opportunities at college. I plan to play on intermural sports.

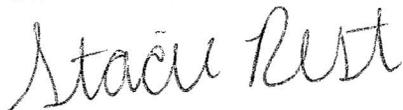

The receipt of your scholarship will be helpful and is greatly appreciated. As hard as my parents have worked all their lives, money has never been plentiful. My parents have always provided for my needs, but didn't have money to give extravagantly. I anticipate working part-time on campus to help with my college expenses.

Following college and graduating with my four-year degree in Business, I plan to be a successful business person in finance or accounting. Math has always been a strong academic area in my education, and I foresee my future working with numbers and money. Included in my long term goal is not *only* to be a successful business person, but to be financially able to give back to my community as a volunteer and as a leading role model to others, especially special needs children.

Once again, I sincerely thank you for your generous support by making me a recipient of this scholarship. It will be a tremendous help to have this support for the next four years as I pursue my college degree and success in life.

Sincerely,

Stacie Jo-Ann Rest
